

# ***Mine Health and Safety Council***

***Free State Regional Tripartite  
Health Subcommittee  
21 November 2018***

- *Contents*

- Achievements
- Challenges
- Way forward

# Achievements

- Launch of the women in mining(WIM) and adoption of the subcommittee in this regard
- Steercom revival with the intention of adopting the constitution
- Safety and Health Campaigns in the region
- Notably through the RTF we also continue to be fatal accident free in the Free State region today being the 87<sup>th</sup> day and counting.

# Challenges

- Venue for the meeting– current venue is away from the CBD and accessibility is an issue.
- Comments/Reflection from the MHSC summit.
- Other legislative changes affecting Codes of Practices
- Community uprising in especially peri-mining areas
- Administrative support for the RTF and Subcom
- Illegal mining

*Thank you*
